

# THE EXAMINER

WACO, JUNE 24, 1883.

## LOCAL BREVIETIES

### Items of Interest From Our Reporters' Note Books

— Mercury still rising.

— Dry, disagreeable and dry.

— Read the cheap column carefully.

— More men is needed and complaints are already becoming numerous.

— Off for the country go a number of folks, outland young this morning.

— The frame of Mr. Hart's two-story residence at Twelfth and Columbus street is up.

— What will be done with the speech resolution in reference to the public spirit?

— When sun-outs are coming in in a steady stream, and prices are ruling good.

— The livery man in the city will be busy in the morn when it comes to trading in gray horses.

— Mosquitoes are singing their quiet songs in unceasing chorus in the ears of unfortunate now.

— The livery man will have all his horses engaged to-day and the young folks will be off the day driving.

— A number of the fire boys have signified their intention of going to the Temple celebration on the 25th.

— Mr. W. H. Price, who has been threatening to sue this week, reports my office and take charge of and attend all who may desire his services, and I cheerfully recommend him to my patrons.

— The thermometer to-day registered 92 degrees in the shade. With no exception it was as hot as we have had this year.

— The hotter the weather the brisker the bidding seems to grow. The amount of buildings being put up and in construction is greater than ever.

— Joseph Schlesinger wants the address of some of our cotton planters who will send him to trade this year or pick cotton. He address is Pearland, Tex.

— Furniture cleaned and repaired at Park & Jones', No. 52 Austin street.—6-22 Imo.

— To the Public:

Notice is hereby given that J. J. Berry is now in partnership with my business and will continue to make contracts for me, 5-22 Imo. W. H. Price, Waco, June 20, 1883.

— A thorough course of Ackers' Blood will remove all faintness in the head, and give a general sense of well-being and pleasure. Sold by Castles, Morrison & Co., druggists, Waco, Texas.

— Furniture and Silverware.

Furniture polish, silver soap, chamber skins, and chinaware, etc., in high demand at Tuckers & Willis, also "Edwards Bed Bug Poison."

— Several would be supers that they spotted the date and of several who have not soiled themselves in recent times will tell you one. We did not think the genius who was so numerously represented in Waco.

— Little Jockey tobacco is the purest and best. Try it. It is 66981.

— Wells' "Rough on Corns."

Ask for Wells' "Rough on Corns." Be a safe, complete, permanent cure. Corns, quite, bunion.

— Bonn Tide and Yo Scheme.

The great bargains in embroideries w. Sanger Bros.—6-17-20.

— The sheriff of McLennan county, N. C. Mr. W. F. Watson, says "Brown's Iron Bitties has improved my digestion and good health." 5-17-18.

— Infant Sprinkler with envelope from the system, with a screw, and all brass supports. Unit price 75c. 5-14-11 Handelt & Roeder, 24 Austin st. Every cent with wood and lot worth the bottom of the tray.

— The infantile cholera outbreak has made a limited sum and to men and to the perplexed direction, as we backs up the system, with an entire disregard of the properties of persons, is about in every house. In fact, more than common in Waco.

— Infantile cholera, through the system, with envelope and all brass supports. Unit price 75c. 5-14-11 Handelt & Roeder, 24 Austin st. Every cent with wood and lot worth the bottom of the tray.

— Dr. Mackay, of the Fifth Street Hospital, has commenced a very interesting course of lectures on the subject of infantile cholera, which is very important one to to-morrow. We trust Dr. Mackay will handle these subjects in a logical, dignified, and rational manner.

— Infantile cholera, yesterday sold at auction on the State fair grounds, gave in to satisfy a debt. The amount received was \$1,000, and the amount paid to the sheriff was \$100. The amount received was \$1,200 less costs \$225, leaving \$775 to be returned to Shattuck. Goods brought up prices.

They are now in the market for the best and most reliable system to provide for to-morrow. They will have a good system in place and it is, why not have a course at Waco?

— Mrs. Rita Bartow, wife of Col. John J. Bartow, died on Friday evening, June 18, at Santa Fe, New Mexico. Mrs. Bartow was 40 years old. She had been married to Waco physician, Mrs. Bartow was a most estimable lady, and made a good reputation in Waco during her residence there, to whom the news of her death will be a sad blow.

— The Brendan Banter tries to remark, "The person who is in a mysterious way, to be found in the following case, was born in Waco, Tex." John Clegg was indicted for her robbery; his case came to trial, he had no counsel; in effect, the court explained the effect of the plea to him, and he then pleaded guilty, and was sentenced to five years. His counsel, however, claimed that he had been compelled to do so.

— A competent night clerk always on hand at Carter & Moore's, begins in third story over store.—6-19-1.

— To the Farmers.

McLennan county, adjoining counties. The reason for grain, being harvested, and we respectfully inform you, that we will be able to market to you all kinds of grain delivered in Waco or at points on the Missouri Pacific, Santa Fe and San Joaquin railroads. We have grain in various quantities and all kinds of grain, including wheat, corn, oats, rye, barley, buckwheat, beans, etc. We are also buying hay and oats. Persons having grain or hay to sell will find it to their interest to call on us at 520 & 530 City Elevator.

— 6-13-18.

— Ladies should remember a beautiful complexion results from using Ackers' Blood Elixir. Sold by Castles, Morrison & Co., druggists, Waco, Texas, at \$1 bottle.—6-19-1.

— The Royal Havana Lottery gives in to satisfy a debt. The amount received was \$1,000, and the amount paid to the sheriff was \$100. The amount received was \$1,200 less costs \$225, leaving \$775 to be returned to Shattuck. Goods brought up prices.
